U. S. Patent and Trademark Office PTO-326 (Rev. 9-97) **ART UNIT 2772**

- 1. Applicant's amendment of 7/26/99 has been considered in preparing this office action.
- 2. Claims 5-20, 22-34, 112-114, 129-134 are rejected under 35 U.S.C. 103(a) as being unpatentable over Strasnick et al.

The claims as amended requiring different sized at different times simply corresponds to the Zooming taught by Strasnick et al. at column 9. Zooming changes the size, and time is inherent in change. Thus, the limitation of a first size changing to a second size corresponding to a temporal direction is merely a definition of Zooming, and would have been obvious to one of ordinary skill in the art at the time of the instant invention.

The limitations of new claims 129-134 is shown at figure 2a, where the center shows a relatively smaller size than at the bottom periphery.

3. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE

3

MONTHS from the mailing date of this action. In the event a first reply is filed within TWO

MONTHS of the mailing date of this final action and the advisory action is not mailed until after

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period

will expire on the date the advisory action is mailed, and any extension fee pursuant to 37

CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

however, will the statutory period for reply expire later than SIX MONTHS from the mailing date

of this final action.

4. Any inquiry concerning this communication or earlier communications from the examiner

should be directed to Almis Jankus whose telephone number is (703) 305-9795. The examiner

can normally be reached on M-F from 9 to 5.

Any inquiry of a general nature or relating to the status of this application or proceeding

should be directed to the Group receptionist whose telephone number is (703) 305-3800.
